

World of art

By Nicole Bittar

Traversing and possessing a piece of the world is within reach.

With social media's proliferation of artistic talent in full view and at one's fingertips, selecting a choice creation to adorn your walls has never been easier.

We scoured the four corners of the globe to present this brilliant and eclectic array of original paintings, collage, hand-woven, digital and mixed-media artworks that you see before you.

Simply fall in love with the work that speaks to your soul, order online or via email and secure forever in your heart and home.
